Temporal Compass, three months

Three months, one to one

WHAT WE HEAR

> “I hold more than I can carry, and every decision runs on someone else’s clock.”

WHERE IT GOES

Your thresholds named, and a structure that holds you.

WHAT CHANGES

- Your thresholds, transitions and transmissions named.
- A structure that holds you through the next months.
- Decisions made on your clock, not only the calendar's.

HOW IT BEGINS

A 30 minute call to see if this fits. If it does, you receive a written proposal with scope, dates and price.

Price is shared in a written proposal, after we talk.
