Temporal Compass, six months

Six months, one to one

WHAT WE HEAR

> “I am living a transition without a map.”

WHERE IT GOES

A rhythm of your own, practiced and embodied, and a long game you can keep playing.

WHAT CHANGES

- A rhythm of your own, practiced and embodied.
- A long game you can keep playing.
- Principles you can use after the mentoring ends.

HOW IT BEGINS

A 30 minute call to see if this fits. If it does, you receive a written proposal with scope, dates and price. Price is shared in a written proposal, after we talk.
